Hi Folks!

Many apologies for the weeks of silence...we were busy passing classes & working on our tans, but we are alive & well & broadcasting thru the summer. Lots of personel changes: Joel (home in Boston for summer, lucky dog) has moved up/over to PD. Jim Albright will be taking his place as MD in Sept. Meanwhile, I'll be Acting MD til then. Confused? So are we. This playlist covers several wks--since last you heard from us (thus the size). Things are tough during summer, but we'll be sending playlists every two weeks (+/-). If there's anything I

(919) 684-2957 can do for you please call. I'm usually here Wed, Thurs, Fri afternoons til 6:00
Regards etc., *Ann*
Ann Kim, Acting MD & various other things.
